

Oregon State University in House District 13

Oregon State University's impact as a major internationally recognized public research university brings increasing and significant impacts on Oregon's economy. In 2014, economists from ECONorthwest estimated that OSU's annual economic footprint was \$2.32 billion – an increase of 15 percent from 2011. Half of Oregon State's economic impact occurs outside of the Corvallis area and the university's activities in 2014 were responsible for 31,660 jobs statewide. Oregon State's statewide economic impact is unique, as OSU has a physical presence and operations in each of Oregon's 36 counties.

Source of Funds

FY 2016

Academic year 2015-16

Type of Aid	Students	Value
Students receiving tuition remissions	171	\$533,870
Students receiving an Oregon Opportunity Grant	145	\$262,500

58 undergraduate students—
representing **11%** of the
undergraduates from your district—
receive financial support from OSU's
Bridge to Success Program.

Oregon State University's Bridge to Success Program, now in its ninth year, covers all tuition and fee costs for more than 2,300 in-state students. Additional funds cover books and supplies for about a third of those students. Any financial aid applicant who meets Pell Grant and Oregon Opportunity Grant eligibility and shows satisfactory progress toward degree completion is automatically considered. It is the largest financial aid program of its kind in Oregon.
