Oregon State University’s impact as a major internationally recognized public research university brings increasing and significant impacts on Oregon’s economy. In 2014, economists from ECONorthwest estimated that OSU’s annual economic footprint was $2.32 billion – an increase of 15 percent from 2011. Half of Oregon State’s economic impact occurs outside of the Corvallis area and the university’s activities in 2014 were responsible for 31,660 jobs statewide. Oregon State’s statewide economic impact is unique, as OSU has a physical presence and operations in each of Oregon’s 36 counties.

- **Gifts**: $53,751,000 (5%)
- **Capital and Debt Service Appropriations**: $1,084,000 (1%)
- **Capital Grants and Gifts**: $67,614,000 (6%)
- **County Appropriations**: $10,005,000 (1%)

Oregon State University’s Bridge to Success Program, now in its ninth year, covers all tuition and fee costs for more than 2,300 in-state students. Additional funds cover books and supplies for about a third of those students. Any financial aid applicant who meets Pell Grant and Oregon Opportunity Grant eligibility and shows satisfactory progress toward degree completion is automatically considered. It is the largest financial aid program of its kind in Oregon.

**270 undergraduate students—representing 24% of the undergraduates from your district—receive financial support from OSU’s Bridge to Success Program.**

OSU Extension Service
OSU Extension Service serves the people of Oregon in the areas of sustainable earth ecosystems, human health and wellness, and economic growth and community vitality through research and Extension programs. Located in all 36 counties, Extension works in partnership with Oregon communities to create positive change for youth, families, business and industry. Programs include 4-H Youth Development, Family and Community Health/SNAP-Ed, Oregon Sea Grant, OSU Open Campus, forestry, and agriculture and natural resources.

OSU Open Campus
Through a statewide network, OSU Open Campus works in partnership with community colleges, regional economic development groups, K-12 education systems, the business community, and local government to deliver education to underserved and place-bound Oregonians. Open Campus has three goals: college and career readiness, degree completion, and economic and community development.

Southern Oregon Research & Extension Center
In southern Oregon, a new generation of small-scale farmers works shoulder to shoulder with established orchards and wineries. The Southern Oregon Research & Extension Center provides research-based programs for this active and growing community as they constantly reinvent the agricultural possibilities of the fertile Rogue Valley.

Richard Roseberg, Director

Klamath Basin Research & Extension Center
Providing science-based education and community support since the 1930s, the Klamath Basin Research & Extension Center has been a steady presence in a complex landscape of reclaimed soils, challenging weather, and limited water supply.

Willie Riggs, Director
541-883-7131

Oregon is our campus

Oregon State University maintains 64 physical locations throughout the state. These locations are supplemented by the virtual presence of nationally recognized Ecampus and Professional and Continuing Education programs, making the university a vital partner in workforce and economic development, locally focused research, public health assistance and other issues.
